Volume and fee calculation

The annual fee is USD38/MT of kernel handled, or kernel equivalent if handling nut-in-shell. The fees are based on the average of the last two calendar years. The first financial year of the new membership model will be 16 months long, running from September 2024 to December 2025. The fees are 133% of the annual calculation to reflect the longer period. Minimum fee is USD5,000.

2023 annual volume (kernel/kernel equivalent)

2024 annual volume (kernel/kernel equivalent) *Please use latest forecast, adjustments can be made if actuals vary from forecast*

Average of 2023 and 2024 annual volume

Do you send your product to South Africa and pay the SAMAC levy? Yes No

If yes, please provide more details in the final comment box as this volume will be exempt from paying WMO fees directly.

WMO 12-month fee *The 12-month fee is the average of the 2023 and 2024 annual volume, multiplied by USD38/MT kernel*

WMO FY25 fee *The FY25 fee is the 12 month fee x1.33* **WMO can complete**

Payment scheduling

The new membership model comes into effect on 1 September 2024. The first year (FY25) will be a 16 month year (1 September 2024 to end December 2025), and then will be a 12 month calendar year from 2026 onwards.

Please indicate the payment phasing for your business. If processors/handlers have fees payable under USD10,000 they are required to pay upfront, within 20 days of registration confirmation. Upfront payment is an option for all.
